I, living in Melbourne, seek a partner for my sister living in Sri Lanka. She, born in May 1975, is slim and fair. She is brought up with good Sri Lankan values, she is very kind, loyal and family oriented girl. She holds BSc Degree in Computer Engineering and Network. She also completed CIMA. She intends to migrate to Australia once married. Our family background: My parents come from South. In our family, we have three brothers and two sisters. My elder brother, married with 3 children, works in a construction company as a Technical supervisor, I am the second, living and working in Melbourne, and the other brother works as an IT Executive in a Law firm, Colombo. One sister, married with two children, is an English Teacher in Colombo. Please contact Email: marriageau@gmail.com
