Karan Johar wan'ts "Kabhie Kushi Kabhie gham" sequel!

Recently Karan Johar's visit to Goa sparked an interest in him to create a sequel to the award winning film Kabhie Kushi Kabhie gham

(2001), starring Shahrukh Khan, Amitabh bachchan, Kajol, Hrithik roshan, Jaya bachchan and Kareena Kapoor. Big B's blog post indicated that the sequel would be a story of growth between the two brothers and the problems that

arise because of their independent understand and working of the business of the father, eventually causing a split within them.

Kabhie kushi kabhie gham was the highest grossing Indian film in the overseas market and a sequel would be welcomed by fans. But this news is not yet confirmed. Karan will have an issue recruiting Kajol as she has clearly stated post the birth of her son (In September) that she would be taking a three year long break from the industry. Goodluck to him - a sequel will not be successful without all the star cast from the original film!
