**Why use Direct Forex?**

Security is our highest priority. We are a duly registered Remittance Service Provider with Australian regulatory Authorities (AUSTRAC) and Central bank of Sri Lanka. So you can have a peace of mind knowing that your money is transferred through an authorized channel.

When you send money through Commercial Bank, you are constantly assured that you are reaching your loved ones through the "Best Bank in Sri Lanka".

Your hard earned money should not be wasted in money transfer rates. We offer you the best rates amongst the current authorized agents, where you get to transfer more money to your loved ones.

Our charges are the lowest in the current Market. Starting from \$8 per transaction, you get to transfer more and more money to your loved ones.

Direct Forex can open up any foreign currency account (NRFC, FC Plus, FC Fixed Deposits) with Commercial Bank as quick as within one business working day. As soon as we allocate you an account number you can start remitting to your Account with us.
