

**WYNDHAM DIWALI**

*Wyndham Diwali Mela 2014...*

**Wyndham Diwali Inc.** Victorian Multicultural Festival of Lights

The delightful time is around the corner ...

**Yes, our favorite festival - Diwali**

As we had last year, this year the event is free and open to the public throughout the day. This year, let us all celebrate the festival with wonderful art forms at display. We anticipate much greater community groups performing on stage with their various talents. We picked up a great pace last year, thanks to your patronage dear readers who visited in great numbers throughout the day, reaching over 10,000.

The laurels of our last year's celebration has reached many community groups and has attracted more enthusiasm from African, European, North American, Asian, Pacific and many other descendants to join us.

We are now on a larger area and we hope all your friends come and have a big picnic on the day, ending with fireworks. The variety in nationalities performing on the stage has grown to a good number, we are excited to see how well this year's event pans out.

Come join us on the **18th October, 2014 at the Presidents' Park in the central region of Werribee/Hoppers Crossing** in close vicinity to many upcoming suburbs such as Wyndham Vale, Tarneit, Truganina, Williams Landing, etc. The land is vast this time for all the patrons coming to the festival all through the day. The kids have a great outing near the vicinity of the stage so that entire family

can enjoy the quality entertainment. Our partnership base has grown this year to have more number of participants on stage. All the families are welcome, forget your chores for one day and not to worry about your culinary needs, we have a variety of nationalities available. The food and snacks are abundantly available for lunch or dinner.

We all hope you will fun all day and return tired from enjoying our entertainment.

Wyndham's cultural diversity is recognized and celebrated as one of the city's greatest assets, contributing to growth and enriching the life of our community on so many different levels – social, cultural, economic and intellectual – and WDI team believes this will happen and continue to grow with events such as Wyndham Diwali. Wyndham Diwali Mela is the Victorian Multicultural Festival of Lights' biggest not-for profit event for the Wyndham community in the south west of the state of Victoria. Wyndham city has the second largest and fastest growing community in Australia. It is our intention to raise the awareness as well as facilitate Wyndham as the cultural and tourist hub through social/cultural engagement with all communities in Wyndham through the promotion of various performing arts of India. It is intended to go beyond to include all cultural groups, to actively develop the human

and cultural values which run deep in this diverse community. The program will comprise of various dance groups such as Bollywood, Indian Classical, Ballet, Scottish, fusion dance forms by local artistes, Haka, French, Russian, etc.

This colorful event is intended to be a platform for locals to showcase their incredible talents, provide a marketplace for local businesses as well as facilitate short term job creation opportunities within this rapidly expanding community. This year's Festival of Lights will feature some of India's leading dancers and musicians who are now calling Wyndham and surrounding areas their home.

We have Bollywood, Jazz, Salsa, and Bhangra, Rock music band, Bollywood band, singers and performers from various local communities representing all five continents. We'll light the skies up with a grand fireworks display as the sun sets over Wyndham in a grand finale!

We welcome you to this year's event full of multi-cultural talent on display taking us through the journey of Diwali celebrations

through the theme ballet, unique compositions that are rare to watch. The location is helping us meet the skies in total openness for one and all. The experience of fireworks at the same time will be something that cannot be missed.

Do not forget to register and obtain your free ticket for the entry into the event at [www.wyndhamdiwali.org.au](http://www.wyndhamdiwali.org.au). Visit our Facebook page at [www.facebook.com/wyndhamdiwalifestival-oflights](http://www.facebook.com/wyndhamdiwalifestival-oflights)
