මිතුරු සන්නස Sannasa is launching their මිතුරු සන්නස foundation from May 2018. It's your great chance to be involved in a great cause without spending anything extra, because we are contributing \$5 from each advertisement on each month towards the මිතුරු සන්නස. This foundation will help Sri Lankans in need of our help in many ways.

Please be in touch with our Sannasa social media page and the website for more information.
