Important information about your eTalk Friends&Family Freedom product – You can register any Airtel, Etisalat, Hutch, Mobitel Mobile numbers or LankaBell CDMA Landline numbers in Sri Lanka as your Friends&Family Freedom connections. If your Friends&Family party in Sri Lanka don't have a Mobile or CDMA Landline, we will provide them a Free Mobile connection from your preferred network Operator (Airtel, Etisalat, Hutch or Mobitel), or a CDMA Landline connection from LankaBell for one off \$35 cost. Each Friends&Family Freedom connection will be charged a monthly recurring fee of \$25 per connection and you will be given 1,500 inclusive minutes per Friends&Family Freedom connection. If you finish your inclusive minutes of 1,500 minutes before the next billing date and you wish to continue calling your Friends&Family Freedom connections, you may do so by purchasing additional Freedom Talk Time of \$10 or more and call your Freedom connection at 2.5cents per minute using the Freedom credit. 1,500 minutes will be refreshed on billing date as long as your recurring monthly payment is successful. If the monthly recurring payment was unsuccessful, then the relevant Friends&Family Freedom connection will be automatically suspended. You can reactivate the suspended Freedom connection by making a payment. Rates and monthly recurring connection fees is inclusive of GST. Your Friends&Family party can collect their new Mobile connection within two working days in Sri Lanka or in the case you have ordered a new CDMA Landline connection for your Friends&Family party, they can collect their new CDMA Landline equipment and connection within 4 working days in Sri Lanka. You or your Friends&Family party must contact the customer service number of the Mobile or Landline Operator in Sri Lanka as indicated on your welcome letter for a physical collection of the Mobile or CDMA Landline connection. Access by dialing Australian local Landline Access numbers only from your registered CL number. You can register up to a maximum of 3 Australian Mobile CL numbers and 1 Australian Landline CL number. Your Landline or Mobile provider may charge for dialing Australian local Landline access number. Full terms and conditions on the website www.globaletalk.com
