TWO PROMISING YOUNG CRICKETERS

In this publication, we proudly introduce yet another Japura family with two accomplished young cricketers. Nivin and Sen Sathyajith both received School Sports Victoria (SSV) caps representing under 12 Victorian eleven, a rare honour by two siblings in one family. Nivin received the honour first in 2013 and Sen followed his brother's footsteps a year later as a specialist middle order batsman. Nivin who is only 15, already plays for first eleven (A grade) at Cranbourne cricket club who won the DDCA premiership last year. Vithum, (10) also a bright young cricketer, hoping to match his older brothers achievement by performing well in upcoming season.

Their parents, Sunethra and Aura Sathyajith migrated to Australia in early 2008 when 3 boys were 8, 6, and 4. Dad, Anura Sathyajith obtained his second bachelor's degree (B.Com) from Japura in 1998 under external programme. Earlier, he completed a degree in business management from Rajarata University and worked for Sri Lankan Inland Revenue Department, before deciding to call Australia home. Mum, Sunethra has also completed a bachelor's degree in nursing from Victoria University. We welcome Sathyajith family to Japura Alumni life membership and wish 3 boys good luck with their crickering career and academic future.

Please e mail a family photograph and a short description of your family to japuraalumni@gmail.com for future publication considerations at Japura Family Corner.
